

Holiday Safety Tips

- ✓ Cooking: Do not leave burners or stove unattended. Unattended cooking is the leading cause of home fires
- ✓ Candles: Keep them away from materials that could catch fire. Keep a 12 inch distance around combustibles
- ✓ Christmas Trees: Keep heat sources away from trees such as candles, space heaters and fire places. Unplug tree lights when going to bed
- ✓ Traveling: Make sure to unplug all holiday decorations before traveling
- ✓ Lights: Make sure all holiday lights are not broken are in good use. Also make sure plug that goes into wall is not bent
- ✓ Outlets: Do not overload your outlets with too many Christmas decorations
